

Habitat Williamson-Maury Board Member

Chad Hart

Chad Hart brings his 22 years of banking experience to our Habitat for Humanity Board, along with expertise in business and consumer finance, financial education, lending and loan structuring, team building, and more. After graduating from the University of Central Florida with a degree in Finance, Chad began his career with AmSouth Bank, now Regions, in their Management Training Program. He moved to Nashville with Wells Fargo in 2017 to lead the Business Banking Team in Nashville and Northern Alabama before going to Republic Bank in 2019 where he is now the Market President.

Chad's passion for the mission of Habitat for Humanity makes him a perfect fit for our Board. When asked about why he was interested in joining the HFHWM Board, he stated, "Not only is home ownership one of the key building blocks to a stable financial future and wealth building, but at its very core, the stability of a place to call home has an impact on children's development, sense of security, and educational success."

He is eager to be involved in helping HFHWM succeed regardless of the challenges we face. Chad is well-equipped to help us find ways to assist with the need for affordable housing. He has been involved in hosting round table discussions, connecting community leaders, designing specified lending programs, and finding ways to utilize community programs like Habitat to create affordable housing units. However, he is more than willing to do things differently than they have been done before. He hopes to help our staff and board members be open to creative and collaborative conversations.

Beyond his involvement with HFHWM, Chad is a Founding Board Member and current President of the Patriots Home Run Club, Inc. He is the Executive Sponsor at Republic Bank for their NIA Business Resource Group, which focuses on acknowledging, supporting, and uplifting the Black associate experience. He is also a former Advisory Board Member for Habitat of Greater Nashville, former Board Member of Junior Achievement of SWFL, and a former volunteer for Keep America Beautiful. His family lives by the bible verse, "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters," (Colossians 3:23).
