

Event Volunteers Needed!

Habitat for Humanity of Williamson and Maury County is seeking volunteers who would like to serve the Habitat mission by putting their management, design, and fundraising skills to work to create beautiful and successful outreach events.

These much-needed volunteers can:

- serve as an event chairperson
- assist with pre-event planning
- help with marketing efforts
- serve on the day of the event

We are also in need of volunteers who have connections to performing artists, event vendors, and promoters in our community.

We are planning an informational meeting in September. Please join us to learn more!
