

Habitat Williamson-Maury Board Member

Jill Giles

Jill Giles is a CPA with First Farmers & Merchants Bank in Columbia, TN and has worked in corporate accounting for the last six years. Prior to corporate accounting, she practiced public accounting for approximately 12 years.

Jill grew up in Columbia, TN. She has been married to her husband Corey for 10 years and has a 4-year-old son, Luke. Her family lives in the southeastern part of Williamson County in College Grove, TN on a century family farm. When not working or taking care of chores associated with day-to-day family life, she enjoys traveling, hiking, reading, and spending quality time with her husband and son.

Jill joined the Habitat for Humanity Williamson-Maury Board in July of 2019. Having a safe and comfortable home is always something she has been fortunate to have in both her childhood and adulthood.

"I am honored to be a part of an organization that is focused on providing those with less resources and/or life setbacks the opportunity to have a safe and comfortable place to call home," she notes. "Not only are the adults touched by this, but Habitat is reaching to the homeowner's children. The organization provides a unique opportunity to contribute to the lives of adults and children."
