Critical Home Repair Services

The Habitat for Humanity Critical Home Repair program provides repairs to keep homeowners safe and warm, and from being displaced from their homes. In addition, our work preserves affordable housing availability in Williamson and Maury Counties.

How does the process work?

- **Application Process** - 3 to 6 months
- **Community Service Requirements** - Sweat equity hours are required of all program participants.
- **Schedule of Construction** - will be based on completion of community service requirements and amount of time needed to complete the repairs
- **Repayment** - will be based on the final cost of repairs and is determined by your HUD income level. The discounted balance will be paid over a short repayment period.

What repair services are provided?

Habitat Critical Home Repair Addresses Health & Safety Concerns:

- Unsafe roof or floor
- Lack of heat
- Electrical hazards
- Plumbing hazards
- Weatherization
- Ramps & accessibility needs
- Interior/Exterior work needed to maintain home

Habitat Critical Home Repair Does Not Address:

- Basic painting
- Replacing carpeting or flooring (unless for structural reasons)
- Window replacement (unless rotted or containing lead)
- Cosmetic repairs
- Bathroom renovations or remodels unless safety, code, and accessibility issues exist
- Miscellaneous repairs not listed will be taken into consideration

Application Process

1

Application

If you are interested in a critical repair for your home, please fill out the application that can be found at our website www.hfhwm.org or at our office at 109 Noah Dr., Franklin, TN. Turn in the completed application with all the required documents. You will be notified by mail regarding approval.

2

Background and Credit Checks (1-3 months after application is received)

We will perform background checks on all members of the household over the age of 16. We will also check the credit of applicants and will ensure that mortgage payments and taxes on the home are up to date.

3

Home Visits (2-4 months after application is received)

We will schedule home visits with households meeting the requirements. The Critical Repair Committee will review the applications and you will be notified of the committee's decisions by mail.

4

Approval (1-2 months after your home visit)

Once you are approved, you will be contacted to sign your participation contract. At this point, you will begin completing your community service hours and paying your deposit.

If you need help, please call Critical Repair Manager, Scott Barker 615-550-5680.
